OFFICE OF THE CONTROLLER OF STORES, MYSORE SOUTH.

Notification dated 22nd November 1939.

1. Sealed tenders are invited for making uniform clothing to the staff of the Mysore State Railway as per particulars mentioned in Schedules 'A to F,' attached hereto on prescribed form which may be obtained from the Office of the Controller of Stores on payment of rupees two which will not be refunded. The tenders should be accompanied by samples of lining cloth both superior and ordinary, buttons and buckles. Number of garments notified in the schedule is only approximate and not guaranteed. It may be more or less.

2. Tenders should be clearly superscribed "Tenders for making uniform clothing for the staff of Mysore State Railway for the year 1939-40" and should reach the undersigned before 3 P.M., on 15th December 1939. The amounts noted below should be deposited in currency notes only as earnest money with the Auditor, Mysore State Railway, Mysore, and the receipt should be sent along with the tender. Cheques will not be accepted and earnest money will not be received except in Audit Office:—

(i) For clothing mentioned in Schedules A and B	Rs. 200 each.
(ii) For clothing mentioned in Schedules D and E	Rs. 100 each.
(iii) For clothing mentioned in Schedules C and F	Rs. 50 each.

The earnest money will be retained as security in the case of the successful tenderers for due fulfilment of the contract and returned in the case of the rest after the contract is fixed up. Name of the successful tenderer will be posted on the Notice Board of the Controller of Stores' Office.

3. The rates should be distinctly written against each item both in figures and in words. All corrections and alterations in the rates specified in the schedules should be clearly attested by the tenderer before despatch of tender.

4. Final acceptance of the tenders in whole or only in part will rest with the General Manager, Mysore State Railway, Mysore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of any tender.

5. Other conditions being equal, preference will be given to tenderers who undertake to do the work at the Central Stores Depot, Mysore South, and who have had previous experience of this kind of work on any Railway. A room near the Central Stores will be provided free of cost for the minimum period. The tenderer should make his own arrangements in all other respects. This room should be used only for stitching the clothing and for no other purpose.

6. Notice of acceptance will be despatched by registered post and within one week of the date of posting of the notice, the successful tenderer (or contractor) will be required to execute a bond for the due execution of the contract failing which the earnest money will be forfeited to the Railway and other arrangements will be made at the cost and risk of the contractor.

7. Cloth as per specifications given in the attached schedules will be supplied by this department. The cloth will be issued by actual measurement and not according to the number of yards marked by the makers on full pieces of cloth. Lining cloth as specified in the schedules and other materials should be supplied by the tenderers at their cost.

8. Cloth required will be delivered to the contractor at the Central Stores in instalments depending on the progress of work actually turned out. For the first instalment a reasonable quantity will be issued.

9. Unshrunk bleached white and khaki drill and double thread double bleached white and khaki drill khadder cloth will be supplied. They must be well shrunk before cutting. Articles made without shrinking will be rejected and the contractor will be liable to make good the cost.

10. Garments should be made to individual measurements of each member of the staff exact to our Railway standard samples, kept in the Central Stores, Mysore South, for inspection and should fit properly and comfortably. Articles not so fitting will be rejected and the contractor has to make good the loss. In case of dispute regarding supply made between members of the staff and the contractor, the decision of the undersigned will be final and legally binding.

11. Names and other particulars of each member of the staff will be furnished by the Assistant Controller of Stores and the contractor will have to arrange with the member's immediate official superior for taking measurements.

12. To enable the contractor to take measurements of the staff he will be supplied with one II class pass and one III class free pass on Home line subject to all conditions of the free pass rules. The passes will be made available only up to the end of June 1940 within which period he should complete the work of taking all measurements and supplying the garments.

13. The measurements of each individual person should be taken for each garment and should be recorded distinctly on a form in duplicate and the party's signature obtained in token of the correctness of the measurements and fit. Each garment should be clearly labelled showing the name of the person to whom it is intended and the measurement form securely attached to the bundle of the clothing of each person.

14. Prepared garments should be delivered at the Central Stores as early as possible after the supply of cloth by this department and the whole work should be completed by the end of May 1940 certain. No extension of time will ordinarily be granted.

15. After the garments are inspected and passed at the Central Stores Depot, Mysore South, they will be distributed by the Depot Staff. The contractor should accompany the Depot staff to see if the fit is proper and comfortable. He should take back the articles which do not fit properly and make necessary alterations at his cost.

Separate bills in duplicate for each schedule of work have to be sent for making payment which will be arranged only for one entire schedule at a time.
